BROACHING MACHINE SPECIALTIES
customized broaching solutions

Small Foot Print: Requires approximately 50% less floor space than comparably sized hydraulically powered machines.

Better Part Finishes & Tool Life: Smooth cutting action yields better part finishes & tool life.

Less Maintenance: No Hydraulic system to maintain.

Cost Savings: Save on purchase and disposal costs of hydraulic oil, and lower your electric bill.

Floor Level Loading: No pits or platforms required.

Automatic Broach Handling: Ergonomic operation and high output.

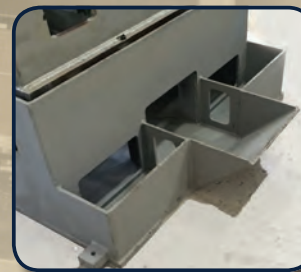

Easy Changeover: One touch programming for different tool lengths.

- SCREWS AND GUIDES FULLY PROTECTED FROM CHIPS AND DEBRIS

- PLANETARY ROLLER SCREW DRIVE
- HEAVY DUTY GUIDE POSTS

- CHIP CONVEYOR ACCESS
